תעודת כשרות Kosher Certificate

This is to certify that I have personally visited the production facilities of **Balik** Farm, the production site of

Balik, succursale de Caviar House & Prunier (Suisse) SA
CH-9122 Ebersol-Mogelsberg,

Based on my knowledge of their procedures I am able to confirm that all the **whole and sliced smoked and salted salmon products**, produced in the above plant do not come into any contact with non kosher substance or species.

Balik products in sealed packages can therefore be recognized as **כשר** (kosher)

This certificate is valid till 01.09.2025
